

# Suicidality in Connecticut

## About Suicidality

[This link](#) provides information that can assist your team in defining suicidality and its related terms, understanding warning signs, identifying risk and protective factors, and developing a strategic prevention plan.

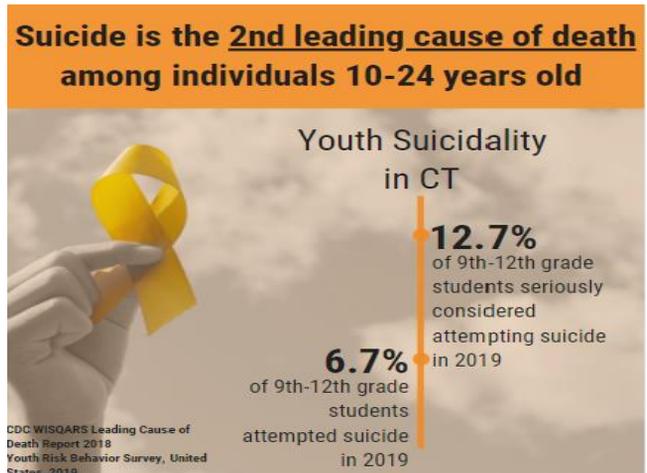

## Suicidality Related to COVID-19

[This webinar](#) provides tips and resources to support school staff as they manage current or emerging suicidal thoughts and behaviors among their students during the COVID-19 crisis. Presenters will share the rationale and tools to develop an individual and meaningful safety plan via telehealth; equip teachers and school staff with the skills to identify and respond to youth who may be at risk; and provide a thoughtful approach for supporting the school and family should a suicide occur.
