

Join a Focus Group on School Mental Health in Connecticut!

Focus groups will be held virtually in August and September 2024 for:

- Behavioral Health Providers
- School-Based Health Center Staff
- Primary Care Providers

Tell us about how you currently work with schools to enhance student mental health, what barriers you've experienced, and how the state of CT better can support your work.

Participants must live or work in Connecticut and will receive a gift card.

To learn more or sign up, email focusgroups@chdi.org

The focus groups are part of a Comprehensive School Mental Health Landscape Analysis being conducted by CHDI for the State of Connecticut to help strengthen school mental health initiatives statewide.
